GOVERNING CANADA: FROM CRISIS TO CHAOS

Guest Speaker, Author and Journalist Robert Lewis describes the governing of Canada as seen from his perch in the Parliamentary Press Gallery

Political pettiness, selfishness and intolerance in Canada's government. That's what veteran reporter and Maclean's Magazine editor Robert Lewis found on Parliament Hill during his tenure as parliamentary reporter and editor-in-chief of Maclean's Magazine. His presentation will add a personal dimension to his critical observations in his recent book, *Power, Prime Ministers and the Press*.
